

Who We AreWhy You Should Join Us

Golden Opportunities

obbying

MTA maintains a well-respected reputation on Capitol Hill and with all regulatory agencies, where we serve as the official representative of Pennsylvania's trucking industry. Legislators and administrators face thousands of bills and regulations every year and we make sure they understand how our laws affect our industry. TRUCKPAC evaluates statewide candidates and determines where and when contributions are made to legislators who are supportive with our industry's concerns. Through your generous contributions MTA continues to build good will on the "Hill." PMTA PROTECTS and DEFENDS our industry.

MTA Money Saving Services

As a PMTA member, you can save your business time and money

- USIS Services (Drug testing, MVRs)
- New York State Thruway Toll Savings Program
- ATX Communications
- Transport Topics
- Flowing Service
- Compliance Materials
- DOT Audit Preparation
- American Fidelity (Disability Insurance)
- Workers Compensation Insurance
- PMTA Select Medical Program

- United Parcel Service discounts

TA Affiliation

As the national voice of trucking, ATA represents MTA members at the federal level. Provides national trends and research. Assists with interstate issues.

Public Image

PMTA builds and protects a positive image for the trucking industry and our highway professional drivers through public relations activities.

- Pennsylvania's Road Team
- National Truck Driver Appreciation Week
- Truck Driving Championships
- Youth Driving Programs
- Safety Brakes

Association Publications

Our monthly magazine Penntrux and weekly Service Letter keep members up-to-date on breaking industry news, traffic advisories and legislative activity, in addition to covering member accomplishments/activities.

Safety

Consulting

PMTA's safety department is second to none on having all the facts on safety issues.

- Consulting, Compliance and Training Programs.

Safety Programs

PMTA continually conducts a variety of safety activities and programs to increase highway safety awareness. In addition, our department recognizes drivers and safety personnel for their professionalism and dedication to the industry.

- Safety Management Council
- Truck Driving Championships
- Driver of the Month/Year
- Fleet Safety Awards
- Safety Education Trailer
- Highway Watch Program

Seminars and Workshops

PMTA, in conjunction with affiliated organizations, offers educational programs to help improve business performance and efficiency and reduce operation costs. Speakers have included state and federal officials, as well as industry experts.

Examples of seminars provided include:

- Compliance Requirements
- OSHA
- Brake
- Log Book
- Environmental
- Security
- Safety Certification
- HAZMAT
- Highway Watch Program

Industry Networking

Networking opportunities allow members to interact among industry peers. Many of these events include industry related speakers and workshops.

- Annual Management Conference
- Local Chapter Meetings and Other Activities
- Truck Driving Championship
- Seminars

Materials and Supplies

PMTA offers a variety of compliance materials at special "member only" prices. Logbooks, inspection books, driver qualification forms, and physical forms are a few examples. Orders may be placed via phone, fax or Internet.

Be in the forefront in battling those who propose rules and fees and mandates that would cripple your company, our industry and our state and nation.

We keep you comprised of the issues within Pennsylvania and across state lines - to remind legislators, regulators, the media and citizens that our members represent the backbone of the commonwealth and nation's economy.

Trucking is everyone's business. We want you to be an active participant in the shaping of policy that concerns truckers!

You can benefit from strong representation of persons engaged in the motor transportation industry and help enhance your professional and economic growth.

PMTA is a member-driven organization dedicated to national advocacy on behalf of carrier owners. Whatever your type of trucking, you will be at home with PMTA. And we are at home with affiliated truck associations in the other states and with the American Trucking Associations for a broad grassroots reach.

Your company. Our industry.

MTA Is Working For You

Maintaining Pennsylvania's high-quality infrastructure while combating growing congestion in the Commonwealth

Battling tolling issues and instrumental in fighting the sale of our Turnpike to private investors

Providing educational programs designed to help members comply with the myriad of state and federal regulations and compliance issues

Working with state officials to streamline the regulatory and operating environment for motorists in order to sustain economic growth

Continually improving our excellent safety record through sensible regulation, targeted enforcement efforts and better education of the motoring public on sharing the road with trucks

Working to ensure any increase in fuel tax and/or registration fees are fair and equitable.

Simplifying time-consuming and confusing requirements and paperwork for registration and title acquisition with our exclusive PMTA Titling and Registration Services

Being your eyes, ears and voice on Capitol Hill; the recognized and respected representative of Pennsylvania's trucking industry

Building and protecting our trucking industry's positive image through safety programs, networking and public relations activities

PMTA PROTECTING YOU

The Pennsylvania Motor Truck Association was organized to promote the common business interests of persons engaged in the motor transportation industry and is dedicated to effectively representing the concerns of the trucking industry to members, government and regulatory agencies and the general public. And we have done just that, from defeating efforts to enact split speed limits for cars and trucks to saving millions of dollars in higher tolls or from proposed increased fines for routine traffic violations.

PMTA is further pledged to assist member companies in managing the impact of change in the trucking industry and to enhance the professional and economic growth of its members.

As part of a national, integrated network of trucking associations and affiliates, we identify the key issues and fight for our rights in each of the 67 counties and 2,567 municipalities in Pennsylvania as well as with the elected officials in Harrisburg and Washington, D.C.

But it's not just the big picture about which we care. It's the entire picture we see and work to the benefit of our fellow truckers. That means helping each individual member with safety programs; weekly, monthly and up-to-the-minute industry news; and lower insurance costs, safety compliance advice, DOT audit preparation, towing service and other money saving services that - as a trucking team - we can provide. PMTA has been recognized both nationally and statewide for having superior safety programs.

Now, more than ever, we need each other. You make our voice stronger and our team helps your concerns be heard and your issues resolved.

The lifeline of Pennsylvania

Trucking is the fourth largest employer in Pennsylvania. Eighty-six percent of the communities in our state get all - ALL - of their goods and supplies via truckers. We are their **ONLY** link! Is there any doubt why we are concerned about the future for you and all of our trucking colleagues, and our friends and neighbors?

We ALL need to be concerned- About our business- About our industry - About our Commonwealth.

We help Pennsylvania prosper.
So invest in your future.
